

Customer Success and Support

ACCESS TO WORLD-CLASS CUSTOMER SUCCESS AND SUPPORT

The BitSight Customer Success and Support teams are dedicated to learning about our customers’ goals and challenges, and designing and executing programs that leverage BitSight Security Ratings to reduce risk. BitSight works with customers from the time of initial onboarding to help them **operationalize** BitSight Security Ratings into their security and risk programs to deliver the most value. BitSight’s Success & Support teams partner to ensure that customers have a full risk management solution they can trust.

GARTNER PEER INSIGHTS

BitSight has been great to work with, they are always very responsive and have one of the best post-sales support teams I have worked with.

- Director, IT Security in the Finance Industry for a \$3B - \$10B organization

ABOUT BITSIGHT

BitSight transforms how organizations manage information cybersecurity risk with objective, verifiable and actionable Security Ratings. Founded in 2011, the company built its Security Ratings Platform to continuously analyze vast amounts of data on security issues. Fifty percent of the world’s cybersecurity premiums are underwritten by BitSight customers, and 20 percent of Fortune 500 companies, and four out of the top five investment banks rely on BitSight to manage cyber risks.

For more information, please visit www.BitSight.com, read our blog or follow [@BitSight](https://twitter.com/BitSight) on Twitter.

BITSIGHT’S UNPARALLELED CUSTOMER SUCCESS TEAM

One aspect that differentiates BitSight from other security rating services is our world-class Customer Success team. Each Customer Success Manager (CSM) acts as a trusted advocate to ensure customers reach maximum value with BitSight. They will guide BitSight customers on the development of strategic and tactical roadmaps, understand their long and short-term needs, advise them on new product features, and help them achieve their strategic objectives.

From onboarding and adoption through operationalization and scaling, BitSight CSMs serve as partners to help BitSight customers reach their goals. With over 1,000 customers globally, BitSight is in a unique position to leverage our industry expertise to ensure customer risk management goals are achieved within a designated timeframe.
