

# Comparing MySubsidiary and Total Risk Monitoring Subscriptions

Get full visibility of your extended digital footprint to proactively gain transparency into possible risks. Today, you may be leveraging Total Risk Monitoring to manage your subsidiaries or have MySubsidiary subscriptions for portions of your business. However, you're missing significant insights into your program as well as flexibility to see exactly what you need.

BitSight's MySubsidiary subscriptions provides analytical insights across all your subsidiaries, business units, departments, and geographies so you can:

- Streamline program decisions
- Drive accountability and action
- Prioritize resources to make the biggest impact

SPM MySubsidiary subscriptions include all features available in your SPM Package, such as:
